WHITE MOUNTAIN DENTAL OFFICE POLICIES

To avoid any misunderstandings, we would like to review our office policies before you begin treatment in our office.

Financial Policy

Our primary goal is not to allow the cost of treatment to prevent you from getting the quality of care you desire. We will do our best to answer any questions you may have about your benefits but always suggest that you call or visit your insurance company's website.

As a courtesy to our patients, we will gladly submit the insurance claim to your insurance company. We will collect your estimated co-payment and deductible at each visit. We make every effort to determine your benefits when you receive treatment, but consider your co-payment an **estimate** until we receive payment from your insurance company.

Payment is expected at the time services are performed. We accept MasterCard and Visa. For extensive services we offer low and **no interest** payment plans through Care Credit.

We will mail monthly statements to all patients with an outstanding balance charge of 18% per annum after 60 days.

Please remember that any information we provide relative to your benefits is our best estimate and not a guarantee of the payment that will be received.

Missed Appointment

We do our best to keep the cost of your dental treatment as economical as possible. The appointment you schedule for treatment is reserved for you and your treatment only. When you fail to keep your appointment without providing us sufficient notice, another patient who could have been seen was not.

As a result, we find it necessary to charge a \$50 fee for missed appointments without a 24-hour notice.

Standard of Care

In an effort to provide the best possible care, we adhere to the following standards of care:

- Bitewing x-rays annually
- Full mouth x-rays every 3-5 years (depending on oral health)
- Exams with the doctor every 6 months
