

### Welcome to our office

- You'll find that Dr. Andow and his staff will spend the time and listen to what your concerns are about your mouth.

### Staff members that care about you

- You'll always be greeted with a friendly "Hello!" and be treated with your best interests and well being in mind.

### A caring touch

- Your appointments will be comfortable with the use of a gentle touch and a cozy chair.

### Our calm and friendly atmosphere is enhanced by complimentary comforts of:

- Nitrous Oxide (laughing gas), oral sedation or IV sedation available for apprehensive patients.
- DVD movies
- Stereo headphones
- Cozy blankets
- Bottled water

### Our Hours

- Monday 8am - 5pm
- Tuesday 7am - 3pm
- Wednesday 8am - 5pm
- Thursday 7am - 3pm

### Location

- Just minutes from I-25, C-470 and the Dry Creek lightrail station.

### Directions

1. From I-25, exit Dry Creek Road.
2. Go west to Yosemite Street and turn left.
3. Go about 0.3 miles and turn left on Mineral Avenue.
4. Take the first left which is Mineral Circle.
5. Make an immediate left into the parking lot (9025 East Mineral Circle).
6. The office is on the first floor to the left of the elevator.

---

## **Our promise to you:**

- Provide you with personalized care
- Provide you with a comfortable, relaxed atmosphere
- Provide you with a gentle touch to ease your concerns

---

## **We listen to you**

- This allows us to know what is important to you so we can take care of your concerns.

---

## **Appointments to fit your schedule**

- Your time is valuable so we make sure you don't wait on us.
- To accommodate your busy schedule, we offer early morning, lunchtime and late afternoon appointments.

---

## **Care for your children**

- We're parents too, so we understand the importance of a fun and enjoyable dental visit. Dr. Andow will take special care of your children so they leave our office with a smile on their face.
- We also understand the importance of starting your children on a good dental routine at a young age. Our hygienists will spend the time teaching your children proper brushing habits that will stay with them their whole life.

---

## **Strictest infection control protocol**

- For your safety and peace-of-mind, we adhere to the most rigorous standards of sterilization techniques and infection control.

---

## **An emergency is an emergency**

- If you have a dental emergency, we will see you that day.
- If it occurs outside office hours, Dr. Andow is available 24 hours, 7 days a week.

---

## **Keeping ahead of changing times**

- To provide you with the most current technology, Dr. Andow and his staff continually update office techniques, dental procedures and equipment.

Dr. Andow offers a complete family dentistry program.
