The undersigned hereby authorizes Dr. Paymon Kamkar and his team to take X-rays, study models, photographs, or any other diagnostic aids deemed appropriate by him to make a thorough diagnosis of the patients dental needs. I also authorize Dr. Kamkar to perform any and all forms of treatment, medication, and therapy that may be indicated. I also understand the use of anesthetic agents embodies a certain risk. NOTICE OF MATERIAL CHANGES TO OUR PRIVACY PRACTICES POLICY

EFFECTIVE: [SEPTEMBER 22, 2013]

BACKGROUND

The Health Insurance and Portability & Accountability Act of 1996 (HIPAA) gives individuals the right to be informed of their healthcare providers' privacy practices and the right to understand and control how their health information is used. Healthcare providers are required to develop and distribute a notice that provides a clear explanation of these rights and practices. Our Practice has made material changes to our privacy practices, consistent with legal changes to HIPAA and the Health Information Technology for Economic and Clinical Health Act (HITECH). We will be providing all of our patients with our revised and updated Notice of Privacy Practices, and requesting a signed acknowledgment of receipt from each patient.

SUMMARY OF MATERIAL CHANGES TO OUR PRIVACY PRACTICES:

- We have added a statement to our Privacy Practices acknowledging that we may not use or disclose your protected health information for marketing purposes, including disclosures that constitute sales, without your authorization.
- We will be issuing new Patient Release of Records Authorization forms that allow patients to choose whether to allow or limit the Practice from disclosing their protected health information in certain ways, to include opting out of fundraising communications.
- If the Practice maintains a patient's psychotherapy notes, they will not be released unless you the patient signs an authorization or if otherwise required by law.
- Patients have the right to restrict the Practice from disclosing certain protected health information to health plan providers if the patient personally pays for their service in full.
- We have revised our internal privacy breach reporting practices to comply with 2013 changes in the HIPAA and HITECH privacy rules, and patients have a right to receive a notification of breaches of unsecured protected health information.
- Consistent with the Genetic Information Nondiscrimination Act (GINA), our Practice will not use or disclose any genetic information to insurance providers or others for underwriting purposes.
