FAMILY & COSMETIC DENTISTRY

FINANCIAL POLICY

Payment in full is due when services rendered.

We accept cash / debit and major credit cards (Master Card, Visa, and Discover). Payment in full is due the day of service.

As a courtesy to you, our patient, we will accept assignment of your insurance for services, less co-pays and deductible expenses.

Insurance assignment is accepted for a period not to exceed sixty (60) days. If the insurance has not paid within sixty (60) days of filing the insurance, it is your responsibility to pay the balance in full.

We welcome the chance to let your insurance help pay the bill, but our services are rendered to you, the patient, not the insurance company. We ask that you keep in contact with your insurance carrier so the claim will be processed as quickly as possible.

In order to take assignment we must have a completed and signed HIPPA (release) form.

Your estimated payment due the day of service is based upon verification of insurance benefits and should not be considered as a guaranteed amount.

Thank you,

Gary Squyres DDS, Family & Cosmetic Dentistry
